

Macoupin County Anti-Meth Coalition

805 N. Broad St. Carlinville, IL 62626

217-899-3449

Macoupin County Anti-Meth Coalition is sponsoring a clothing, quilt, and toy drive for the Kids of Meth. Children who are taken from a home where Meth is being made or used cannot take any of their belongings with them for fear of contamination of hazardous chemicals used in the production of Meth.

We are asking your organization to help us with this project. You can help in any of the following ways: your organization or agency may volunteer as a drop off site for items, encourage your staff, club members, or clients to donate once a month or quarter, or make quilts to donate to children with no belongings. If your agency, club or business would like to make a monetary donation or any other kind of donation, that would be appreciated as well. There are numerous ways we can work together to help those who need it. If you are interested in making a donation or helping out in any way, please contact Paula at (217)-899-3449.

Here is a list of things needed:

- Small quilts or blankets
- Short sleeve t-shirts in all sizes in summer and spring; long sleeve in winter and fall
- Shorts
- Knit pants
- Socks
- Underwear
- Flip flops
- Diapers
- Brush/ Comb
- Tooth Brush/Toothpaste
- Small toys that are comforting to a small child; baby dolls, stuffed animals etc.

Drop off sights already established:

Macoupin County Health Department offices in Carlinville and Gillespie

Thank you,

Paula Campbell
